A PEACE FILLED CONSCIOUSNESS

It is with full hearts and minds that we share with you the passing of our beloved Rev. Weston Dale Bailey on June 20, 2016.

Weston was born July 5, 1936 in Blackfoot, Idaho. He grew up in Burley, Idaho. Beginning in his late teens he served as a hospital administrator and nurse in the Air Force during the Korean War. Upon honorable discharge, he attended Boise State University. During his early years Weston became an avid golfer and pool player stating that, “All the laws of physics exist on a pool table.”

The question, “What really happens to you when you die?” led Weston into an in-depth study of metaphysics and parapsychology. Thus began his ministry worldwide. Rev. Bailey has lectured, researched, and studied in South America, Canada, and throughout the United States, including Alaska and 11 years in Hawaii. In South Africa in the early 1970s he was permitted by the South African government to speak before the native population in Soweto. While in Mexico in 1978 he was invited into the presidential palace to teach. He also lectured in the Bahamas at the invitation of the President of the Senate of the Bahamian government. Since moving to California, Rev. Bailey developed a successful practice in [Light Color Energy Healing™](#). He also served as a faculty member at the Rowe Institute of Integrated Studies. He is the founder of the [Foundation for Spiritual Science and Healing](#) and the Spiritual Awakening Foundation in Canada. He published on Valentine’s Day, his guidebook on the most important subjects of metaphysics, parapsychology, religion and the evolution of the human spirit – [“A Profile of Human Potential.”](#)

He is survived in the outer physical world by his devoted colleague and wife Annette, two sons – Tod Bailey, and Michael David Smith who is blessed with four children and ten grandchildren, a sister Ruby Simonis, and by many sincere seekers and students of the Truth throughout the world.

His heart is always pure and his mind is always clear. His strength is continuously demonstrated in adherence to the Highest Principles of Goodness, Justice, Beauty, Truth and Love. Two of his last statements were, “Is it not always about helping?” and “Go forth and be happy!”

To our Dearest and Most True Friend, we have and will continue to be touched by your Master Hand and are Eternally grateful.
